

Grounding Bars for Electrical Panels

As a complement to its line of accessories for control panels, automation, wiring of electrical machinery, ITC now presents a line of brass grounding/neutral bars.

Features:

- Three convenient sizes:
 - 7x9 mm (approx. 9/32" x 11/32")
 - 8x12mm (approx. 5/16" x 15/32")
 - 12.70x12.70 mm (approx. 1/2" x 1/2")
 - Length is 500 mm (approx. 20")
 - Can be easily cut to length with a hacksaw
- Made of **brass**, non-plated: excellent conducting features at a fraction of copper prices
- Two models of **insulating supports** are available
- All holes are pre-threaded (metric M3, M4 or M5 threads)
- Lightweight and economical
- Available from stock in Canada

How to order (Order by Part No.)

Part No.	Model	Description	Number of terminals	Pack Qty
710.407	CGB0709	Grounding bar 7x9x500mm	64 (M5)	1
710.408	CGB0812	Grounding bar 8x12x500mm	60 (M4)	1
710.412	CGB1212	Grounding bar 12.7x12.7x500mm	2 rows of 62 each (M3)	1
710.409	CGBSUP	Plastic support for panel, dim. 30x15x16 mm	-	10
710.410	CGBDIN-S	Polyamide support for DIN Rail 35 mm, dim. 42x16x17mm	-	10
